STREAMLINED FINANCIAL HARDSHIP WAIVER CERTIFICATION

1. By this pleading and the attached certificate, The Union Mission (“Licensee”), licensee of WJGN-CA, Facility ID 66549, Chesapeake, Virginia, hereby certifies that WJGN-CA requires a one-year delay to achieve compliance with the requirements of the Commercial Advertisement Loudness Mitigation Act (the “CALM Act”) and requests a waiver of the December 13, 2012 deadline for compliance.¹

2. Pursuant to the streamlined waiver process set forth in the Commission’s December 13, 2011 *Report and Order* in this proceeding, Licensee requests waiver for WJGN-CA as a “small broadcast station.”² Under the procedures adopted in the *Order*, a station seeking a waiver on this basis must certify to the Commission that it qualifies as a “small broadcast

¹ It is the Licensee’s understanding that Class A television stations are not subject to the CALM Act compliance requirements. This understanding is based on Footnote 17 of *Implementation of the Commercial Advertisement Loudness Mitigation (CALM) Act*, 26 FCC Rcd 17222 (2011) (the “*Order*”), which defines a subject “television broadcast station” as a station licensed under Subpart E of Part 73. Class A stations are licensed under Subpart J and thus do not come within the definition. Nevertheless, this waiver certification is filed for WJGN-CA in an abundance of caution, should the Commission interpret the CALM Act compliance requirements to apply to Class A television stations.

² *Order* at 17253-54.

station” and that it requires a delay of one year to obtain specified equipment to avoid financial hardship.³

3. Licensee is a non-profit entity which operates WJGN-CA on a noncommercial basis, and therefore should be exempt from the requirements of the CALM Act. However, should the Commission determine that the CALM Act applies in this instance, WJGN-CA meets the criteria for a one-year compliance waiver. As set forth in the attached Certification of Executive Director Linda B. Vaughan, WJGN-CA satisfies the definition of “small broadcast station” by virtue of having less than \$14 million in gross annual receipts. Ms. Vaughan further certifies that, to avoid financial hardship, the Licensee requires a one-year delay to obtain certain the equipment necessary for WJGN-CA to comply with the Commission’s CALM Act requirements.

4. Accordingly, if the CALM Act applies to Class A stations and/or television stations operating noncommercially, The Union Mission requests a one-year waiver for WJGN-CA to comply with the CALM Act.

Respectfully submitted:

CERTIFICATION OF LINDA B. VAUGHAN

Linda B. Vaughan hereby certifies as follows:

1. I am Executive Director of The Union Mission.
2. The Union Mission is the licensee of Station WJGN-CA, Facility ID 66549, Chesapeake, Virginia.
3. During calendar year 2011, WJGN-CA had less than \$14 million in annual receipts. It is anticipated that WJGN-CA will also have less than \$14 million in annual receipts for 2012.
4. To achieve compliance with the Commission's CALM Act requirements, WJGN-CA must install certain equipment, including a loudness controller device and software.
5. As initial estimates have indicated that the costs for such equipment will be a minimum of several thousand dollars, The Union Mission requires a one-year waiver of the Commission's CALM Act requirements for WJGN-CA to allow it to obtain the necessary equipment while avoiding financial hardship.

Linda B. Vaughan
